WEEK ONE

Living an Extraordinary Life

I believe that God expects you and me to be more than merely *ordinary*. In fact, I believe the Bible teaches that God desires for His people to live an extraordinary life of impact. We are to be light in the darkness, salt to the world, and ambassadors of Jesus Christ.

When Jesus is, indeed, the Lord and love of your life, then you have both the power and the resources at your disposal to live an extraordinary life of significant impact. God will bless you in eternity and use you for His glory here on Earth. You can enjoy life and have it in abundance. And so, to be used by God in extraordinary ways sometimes requires the need to start over, begin afresh, or simply take a few moments out of our overly busy schedules and take inventory.

Over the next few weeks we will discover what it takes to begin living an extraordinary life of significant impact.

MAGNIFY YOUR VISION - First off, let's begin by not thinking small. People of little significance pray little prayers, expecting God to not do very much. Understand that God is greater than you can ever imagine. Nothing is difficult for God and He never breaks a sweat. It is not more challenging for God to cure you of cancer than it is to find you a good parking spot at the mall. Increase your faith in a BIG GOD who can do mighty and amazing things.

“Now all glory to God, who is able, through his mighty power at work within us, to accomplish infinitely more than we might ask or think.” Ephesians 3:20 NLT

PRAYER

Dear Lord, Thank you for developing me into the person You want me to be. Help me to trust you with everything that pertains to my life. Help me to be the extraordinary person you predestined me to be. In Jesus name Amen
